Dear Wilson Families,

Welcome to the 2016-2017 school year. We are excited to begin a new year together. We will be continuing Accelerated Reader, FASTT Math, and the new common core standards.

Please remember that school attendance is very important and the key to an excellent education. School starts at 8:50 a.m. for all students, kindergarten through fifth grade. Another key component to school success is your involvement. This includes volunteering in your child's class, coming to parent conferences and meetings, and being an active part of the school community. Parents are their student's first teachers.

Wilson school has three main rules. Be responsible, be respectful, and be safe. Your students should know these rules and be striving to act by these on a daily basis in the classroom and on the playground, as well as before and after school and on the bus. Student safety is a major concern for us here at Wilson and we strive to maintain a safe and effective learning environment.

In addition to this parent handbook, many notices containing important and updated information will be sent home throughout the year. We often send reminders home using both an automated callout system and text messaging (for those that sign-up). Important notices are also posted on the school marquee.

I am available to meet with you and answer any questions or concerns that you may have. Please contact my secretary, Nicole Post, at (909) 881-8253 or by e-mail at [nicole.post@sbcusd.com](mailto:nicole.post@sbcusd.com) to speak with me or schedule an appointment. I look forward to a successful and exciting year of learning here at Wilson.

Respectfully,

Dennis Wolbert, Principal
